“I could not have asked for a better athletic experience than the one I had at Clark. Playing baseball has helped teach me valuable lessons in teamwork, work ethic and dealing with successes and failures. These are lessons that will be with me after graduation and for the rest of my life. At Clark, I have not only become a better baseball player, but a better person.”

Todd Mathewson ’05, Baseball

“My experience with athletics has made my experience at Clark, period. I wouldn’t be here, and I wouldn’t be the person I am today without the support, guidance, and experiences that athletics has always afforded me.”

Nichole Willy ’05, Volleyball

“The ability to motivate others is a fundamental quality to possess, and I greatly respect anyone with the talent to do so.”

Brian Godard ’05, Crew

“Most people, when they come to Clark have one thing in mind, getting an education, but little do they know how much fun and rewarding a varsity sport could be. It is only later they learn that athletics here at Clark could be just as valuable as their education, in respect to enhancing their learning experience.”

Mike Agnelli ’05, Crew/Cross Country

“Coming to Clark University has given me the opportunity to not only be a part of a team that together accomplished so much, I also got to play the sport I love with my best friends.”

Kristina Richio ’05, Field Hockey

“Every time I tie in a boat, I make it my goal to come off the water regretting nothing. Looking back on the past four years, I can honestly say that the times I pushed myself hardest, and the times I felt the most victorious and proudest were while in a boat. There is no doubt in my mind that the merits established through athletics - the desire to succeed and the determination to do whatever it takes - have found their way into the classroom, and really every facet of life. While I’ve won medals during the past four years, what I truly take away from my Clark Athletics experience is the inner strength that came from every practice and every stroke I took in preparation for those races.”

Ashley Blake ’05, Crew
“Being on the Clark Field Hockey team has been the best part of being at Clark. The friends I have made and the fun times I have had with the field hockey team will be what I remember most about Clark in the years to come.”
Jill Barnes ‘05, Field Hockey

“As a member of the Clark Women’s Basketball team for the last four years has given me a chance to meet many amazing people who have taught me a lot and made my experience at Clark one that I will always remember.”
Abby Pineo ‘05, Basketball

“It is important to learn how interesting and unique each teammate is off the field.”
Erika LeClair ‘05, Field Hockey

“My athletic experience here at Clark has allowed me to make bonds with teammates and other athletes that will last a lifetime. It has also prepared me to be a leader not only on the court, but off the court as well.”
Natalya Kossenko ‘05, Basketball

“As a member of the Clark volleyball team for the past three years I have established great friendships, become a part of a bigger network of students, gained school pride and spirit, and represented Clark. As a member of the team, I’ve had the opportunity to participate in events organized by the athletic department, such as the leadership seminars. Clark athletics has greatly enhanced my collegiate experience and has given me the tools to move on to other challenges.”
Francine Safdeye ‘05, Volleyball

“Being a student-athlete was rewarding on many levels. On the most basic, I continued to play a sport I love at the collegiate level. However, I also feel athletic involvement has led me to be more well-rounded. Participation forced time management and commitment to things outside of courses and clubs. Through athletics I have also been presented opportunities to contribute to campus and community events, as well as get to know many people I might otherwise never speak with. I value the experience because it let me engage in the Clark experience more fully.”
Ollie Hartman ‘05, Tennis
