Fall/Winter 2001

Clark Field Hockey Team Has Record Setting Season

The Clark field hockey team finished another record-breaking season under the direction of seventeen-year head coach Linda Wage. The Cougars, who were a perfect 10-0 at home, compiled a 17-4 overall record and a 6-2 NEWMAC record, finishing in third place in the conference. The 17 wins eclipsed the previous record of 15 set last season. Clark's outstanding season ended with a national ranking of 18th in the final National Field Hockey Coaches Association (NFHCA) Division III poll. New season records were set in goals (57), assists (43), and points (157).

"Our success this season was based on a combination of factors, including a strong work ethic and mental toughness," commented Wage. "Early in the season we were met head on with challenges and the team's confidence grew after every game. The players' ability to focus on the present led to consistency on the field. This was definitely a season to remember."

Clark started the season with a 13 game winning streak and was the last undefeated team in the nation. The Cougars defeated nationally ranked Williams College 1-0, and NESAC powers Trinity College 3-0 and Connecticut College 4-1. Clark also defeated Division II Assumption College 1-0. The Cougars outscored

2001 Hall of Fame

On September 29, 2001, Clark inducted its eighth class into the Athletic Hall of Fame, which honors outstanding athletes, coaches, administrators and others who have distinguished themselves and the University through Clark's athletic program. This year's inductees were Jack Cohen '74 (basketball and soccer); Patricia DeCaire '81 (basketball, field hockey, softball); Ralph Saunders '54 (basketball).

Standing (L-R): Presenters Barbara Stevens, Peter Eleftherakis '75, Roy Russell; Sitting: (L-R): Inductees Patricia DeCaire '81, Jack Cohen '74, Matthew Saunders (son of the late Ralph Saunders '54)

Jack Cohen '74

Jack Cohen, an outstanding midfielder/defensive player, was a four-year starter and two-year captain on the men's soccer team. He was named to the All-New England team in 1971 and 1972. His sophomore and junior years he played in the All-New England All-Star game for the college division, which played annually against the university division at the end of the season. Cohen led the soccer team in scoring his senior season with 12 goals. Cohen also participated one year in the basketball program. He received the Hebert Award in '74, which is annually awarded to the outstanding senior male athlete who has made a significant contribution to the intercollegiate athletic program and whose dedication and performance have enriched the tradition of Clark Athletics. He was presented for induction by former teammate Peter Eleftherakis '75.

Patricia DeCaire, '81

Patricia DeCaire was a three-year standout on the Clark basketball team and captained the squad her senior year. She was also a major contributor on the field hockey and softball teams for four years. After playing one year at UMass Amherst, DeCaire transferred to Clark

Casey Completes Outstanding Field Hockey Career

Clark senior forward Lynne Casey completed an outstanding field hockey career this past fall, helping the Cougars to an impressive 17-4 record this season (see story on page 1). Casey was a major offensive threat every time she was around the goal, scoring a team-high 14 goals. She tallied 12 assists while compiling 40 points. Casey became Clark's second all-time scoring leader, finishing her career with 120 points. She also set the career assist record with 36 and finished with 42 goals. Casey was named to the 2001 National Field Hockey Coaches Association (NFHCA) Division III All-America First Team, only the second player in the history of the program to be named to the first team. Casey's honors also included selections to the NFHCA New England East Regional All-America First Team, the NFHCA Senior All-Star Team, and the NEWMAC All-Conference team.

"Lynne is the consummate team player and receiving first team All-America honors is a tribute to her outstanding athleticism and her willingness to do whatever it takes to help her team achieve success," said Coach Linda

Lynne Casey '02

Wage. "We are very proud of all Lynne's accomplishments on and off the field, and the recognition they bring to Clark University and our athletic department."

Her career honors include 1998 NEWMAC Rookie of the Year, 1999 and 2000 NEWMAC All-Conference Team, 1999 and 2000 Regional All-America First Team honors, and 1998 Regional All-America Second Team honors. ★

Eyges '78 Donates Major Gift

Debbie Eyges '78 contributed \$25,000 to Clark's \$100-million capital campaign in honor of her biggest fan, her mother. She played four years of varsity basketball and rowed eight seasons of crew. Debbie's gift will support the women's athletic programs by supplementing an often-tight budget for such things as team travel and equipment. "Debbie's gift leaves a legacy for future generations of young women athletes who will directly benefit from her generosity," commented Athletic Director Linda Moulton. "What a wonderful way to honor her mother and acknowledge the value of her athletic experience."

Debbie is an alumni trustee, a Jonas Clark Fellow and former president of the Alumni Association. She also helped organize the Alumni Athlete Homecoming Day by contacting former crew members. ★

Field Hockey

CONTINUED FROM FRONT PAGE

their opponents 57-15 and were ranked 8th in the nation in scoring margin. Defensively Clark was ranked third in the nation, allowing only .70 goals against.

Following a 3-0 win over Wheaton College in the quarterfinals of the NEWMAC Tournament, the Cougars lost to conference rival Springfield College 2-1 in the semifinals. Clark was selected as the second seed in the ECAC Tournament and advanced to the semifinals with a thrilling 1-0 win over New England College in the quarterfinals.

Sophomore defender Kelly Murphy scored with :23 seconds left in the game to help the Cougars advance. The Cougars lost a 3-2 overtime heart-breaker in the semifinals to Wellesley College. Clark has earned post-season bids nine times in the last 13 years.

Senior forward Lynne Casey (see related story above) led Clark with 40 points including 14 goals and 12 assists. In addition to Casey, junior goalkeeper Jesse Egan, junior forward Julie Mazeika and junior defender Jessica Smiley all received NFHCA New England Regional All-America First Team honors and had impressive seasons for the Cougars. Egan was ranked 7th in

Division III with a .72 goals against average and third in saves percentage (.905). Mazeika tallied 14 goals, along with five assists, and 33 points and was fourth among NEWMAC scoring leaders. Smiley helped anchor the nationally ranked defense that allowed only 15 goals and recorded an impressive 11 shutouts. She also was a presence on offense with six goals, three assists, and 15 points. Mazeika and Smiley were also selected to the NEWMAC All-Conference Team. ★

FALL SEASON WRAP-UP

Men's and Women's Cross Country

- NEWMAC Championship: (W):10th, (M): 7th; ECAC Championship (W): 27th/28, (M) 25th/33; NCAA New England Regional Championship: (W):33rd/35, (M): 32nd/35;

Men's Cross Country in Action

- Men's Top Runners: David Kent - 29:11 in the NEWMAC Championship, Eli Bass - 29:32 in the NEWMAC Championship, and Josh Good - 29:12 in the Worcester City Meet
- Women's Top Runners: Jen Ericson - 21:38 in the NCAA New England Championship, Caitlin Cannon - 21:34 in the Worcester City Meet
- "The team is excited to return four runners who finished in the top five on the men's team; the women will

be led by senior captain Jen Ericson and I look for continued improvements from first-year sensation Caitlin Cannon," said Coach Greg Marcotte.

Men's Soccer

- Overall Record: 8-9, 1-5 NEWMAC (seventh-place)
- Key Victories: Brandeis University 4-2, NEWMAC rival Babson College 1-0, and NESAC opponent Trinity College 2-1
- "The team came together quickly as we tried to replace eight starters from last year. We will return many experienced players," said Coach David Kulik.

Women's Soccer

- Overall Record: 4-13, 1-9 NEWMAC (ninth-place)
- Key Victories: Wesleyan University 1-0 in overtime and Mount Holyoke 3-2 in final regular season game
- Katie Brothers '02 was named to the NSCAA All-America New England Third Team, NEWISA All-New England First Team, NEWISA Senior All-Star Team and NEWMAC All-Conference Team...Brothers became Clark's all-time point leader with 105 points and

Katie Brothers '02

career assist leader with 39 assists... She also holds the record for assists in a season with 16 and ended her career with 33 goals

- "I believe we have built a foundation in my first year for a very promising future. We were extremely young and inexperienced. However, our work ethic and commitment was unbelievable and I feel we set a great tone for next year with the win at the end of the regular season," said Coach Joe Brady.

Women's Tennis

- Overall Record: 6-7, 2-6 NEWMAC (sixth-place)
- Key Victories: Wins over NEWMAC opponents Springfield (6-3) and WPI (7-2)
- Katherine Sibley '02 was named to the NEWMAC All-Conference team at the #2 singles position...She compiled an 8-6 overall record in singles competition this season
- "This was a turnaround season for Clark women's tennis. The players showed great team unity and a desire to work hard at their game," said Coach David Zeutas-Broer. ★

Kate Sibley '02

In Memoriam

Dan Trant x'84, former Clark basketball star, was among the victims of the attacks on the World Trade Center on Sept. 11.

Trant worked for Cantor Fitzgerald, a government bond trading company, on the 101st floor of One World Trade Center, the first tower struck in the terrorist attacks in New York City.

Trant made his mark at Clark as an outstanding basketball player. Coached by Wally Halas '73, Trant is Clark's third all-time leading scorer with 1,663 points. He was a two-time All-American and was captain of the team that competed

in the NCAA Division III final in 1984. Trant was drafted by the Boston Celtics in 1984 and went on to play in the European league in Ireland on teams in Dublin and Belfast. He returned to Massachusetts and was a member of the Springfield Fame in the inaugural season of the United States Basketball League, contributing to the first-ever league championship. He continued to be involved with basketball later in his life and coached youth basketball for the past 10 years in Long Island, where he lived with his wife and three children. ★

Clark Volleyball Team Advances to ECAC Tournament

The Clark volleyball team posted an impressive 22-8 overall record, under the direction of fourth-year head coach Karen Farrell, and surpassed the 20-win mark for the second consecutive season. The Cougars were consistently ranked among the region's top 12 teams in the New England Women's Volleyball Association (NEWVA) poll all season. Clark's program has made dramatic improvements on the court in the last three years. In 1999 the team finished at 15-19, but one year later the Cougars produced a 20-11

Lisa Desrochers '03

record and were ranked 15th in the NEWVA season ending poll.

"In the past three seasons, our players have demonstrated an incredible commitment to our program and a desire to compete at a very high level," said Farrell. "The depth of this year's squad and the experienced core that returned were two important factors in the team's success this season." The 2001 team

earned a bid to the ECAC Tournament for only the second time in the history of the program. Though Clark lost in the first round to eventual champion, Elmira College, 3-2, in a hard fought

battle, the players gained valuable experience competing in the post-season. Other season highlights included an 11-match win streak and victories over regionally ranked Brandeis University, Tufts University and the Coast Guard Academy. In addition, Clark won the Worcester City Tournament and the Connecticut College Invitational.

Senior rightside hitter/setter Sarah Haigh was only the second Clark volleyball player to receive all-conference honors. She was also selected to play in the NEWVA Senior All-Star Game. Junior captains Lisa Desrochers and Kate Weiss provided strong leadership on and off the court. Desrochers, a middle blocker, led the team with 2.74 kills per game. Weiss, a setter, tallied 749 assists. ★

Alumni Athlete Homecoming

On September 29, 2001 more than 180 alumni athletes from six decades participated in the Inaugural Alumni Athlete Homecoming. There was a full day of alumni activities as well as intercollegiate games. Alumni activities included the fun run, softball, basketball, soccer, lacrosse and field hockey games. The day also included varsity events in which the field hockey team defeated WPI 8-0 and the men's soccer team defeated Lasell College 3-2 at Granger Field. Down the road at WPI, the women's volleyball team won the Worcester City Tournament and WPI defeated women's soccer 3-0. The day also included a barbecue lunch, post-game refreshments, a complimentary pass to the fitness center for the weekend, supervised kids activities, and a free T-shirt. The festivities concluded with Clark's eighth-annual Hall of Fame Induction Ceremony. "It was very

Alumni Fun Run

rewarding to see so many Clark athletes from so many decades gathered together," commented former athletic director Wally Halas '73. "I am confident this event will continue to grow and become one of Clark's traditions." Halas, who spearheaded the event, chaired a committee comprised of former and current athletes, athletic administrators and alumni affairs staff. ★

Kneller improvements completed

The final phase of renovations to the Kneller Athletic Center were completed this summer. Facility improvements included: the renovation of the general and varsity team locker rooms; the refurbishment of the Bernstein Lounge and Conference Room; the renovations of the Athletic Department Office area and construction of four new offices; the installation of a divider curtain for the Hurst basketball/volleyball courts; and the upgrade of the athletic training room and Bickman Fitness Center.

The initial phase of the renovations included installing a wood floor on the Hurst Courts and renovating the Kneller lobby. The improvements were the result of a generous grant from the George F. and Sybil H. Fuller Foundation. ★

Athletes Community Involvement

Clark Athlete Reading Day

Clark athletes participated in the first Clark Athlete Reading Day of the year at the Hiatt Magnet School in Worcester on Wednesday, December 12. Twenty-five athletes from 16 teams read to students in grades K-6. The event was organized by men's basketball coach Paul Phillips and the community service committee which is a sub-committee of

Juan Andres Garcia-Alvarez '03

the Student-Athlete Advisory Committee. Student athletes will participate in additional reading days in the second semester at area Worcester schools. Head women's soccer coach Joe Brady also participated along with Phillips.

"The student-athletes felt the day was a very rewarding experience. They are looking forward to the next event," commented Brady.

Hoops for Hunger Basketball Clinic

The men's and women's basketball programs sponsored a Hoops for Hunger basketball clinic on November 24, 2001. More than 150 young basketball players participated in a one-day clinic in the Kneller Athletic Center. Donations totaled \$800.00 and were raised for the disaster relief fund. "The clinic was a great success with an unbelievable turnout," commented head men's coach Paul Phillips. "The men's and women's teams felt very fortunate to help raise money for the September 11th tragedy."

Volleyball Team Receives Award

The Clark Women's Volleyball Team shared the annual Community Partnership Award with the All Kinds of Girls

program. The award was presented by Girls, Inc., the prominent national organization that encourages girls to be "strong, smart and bold."

"We really value community partnering," said Maria Rosado-Oakley, executive director of Girls, Inc., in Worcester. "These Clark programs really stood out."

The program by the volleyball team, which is coached by Karen Farrell, ran from noon until two on Saturdays at the Winthrop House. Each week, three or four Clark players, took time to teach girls basic skills of the sport. At the end of the year, the girls competed in some games.

"Our players appreciated the opportunity to work with the young girls in the Girl's Inc. program. Introducing the girls to the sport of volleyball was an avenue by which our players were able to spend time with them and serve as mentors and role models. We look forward to our continued relationship with the Girl's Inc. program," Farrell said.★

Hall of Fame

CONTINUED FROM FRONT PAGE

and made an immediate impact on the court helping Clark become one of the top teams in the state. In her junior year she led the team in assists with 10 per game and was instrumental in leading Clark to a 21-8 record and a MAIAW State Championship. She dished out 12 assists in the championship game and was named tournament MVP. Though hampered by a knee injury in her senior season she averaged 7.3 points, 3.5 steals, and tallied 127 assists and helped Clark advance to the MAIAW State Regionals. Over her three-year career the team posted an impressive 61-16 overall record.

An outstanding athlete, DeCaire was a four-year starter on both the field hockey and softball teams. A leading scorer

on the field hockey team, DeCaire was a constant threat around the opponent's net. She pitched and played centerfield for Clark's softball team. She was presented for induction by former women's basketball coach Barbara Stevens.

Ralph Saunders '54 (deceased)

Ralph Saunders, a prolific scorer, started all four years for Clark's basketball team and served as a team captain his junior and senior seasons. Entering Clark, Saunders received the Whitman scholarship, which was awarded to a basketball player with outstanding ability and to an individual that would contribute most to Clark Athletics. In his rookie season he set a school record for points in a season scoring 199 points, averaging 12.4 points per game, and was named to the All-City Team.

Saunders had an outstanding sophomore season and became one of the most potent offensive players in the city, averaging 17.4 points per game, which was the highest average in the Worcester area. He was named to the All-City team for the second time in 1952. In his last two years he averaged 16.9 points per game and scored 608 points. Saunders became Clark's first 1,000th point scorer finishing his career with 1,086 points in 68 games. Presenting Saunders for induction was his life-long friend Roy Russell. Matthew Saunders accepted on behalf of his father. ★

WINTER MID-SEASON WRAP-UP

Men's and Women's Swimming

At the end of the first semester the men's swimming team had a 3-2 overall record, including convincing wins over Gordon College (131-89) and Wheaton College (131-88). All-America sopho-

L. Parker Barnum '04

more L. Parker Barnum is again swimming himself into the school's record book. At the Cardinal Classic, Barnum broke his own record in the 200 breaststroke, posting a 2:08.83 time. He also set a new record in the 200 individual medley with a 1:59.84 time. Twin brother Roy Barnum and freshman Ben Their are also off to solid starts. Roy won multiple races in four meets. He recorded his best times at the Cardinal Classic, winning the 50 freestyle (22.38) and 100 freestyle (48.76). Their set a new school record in the 400 individual medley at the Cardinal Classic with a 4:09.83 time.

The women's swimming team compiled a 4-1 record in the first semester, with impressive wins over Wheaton (135-106) and Babson (129-99). Senior Katie Calabrese and juniors Ildiko Polyak and Jamie Armstrong led the way for the Cougars. Calabrese set new school records in the 100 breaststroke with a 1:10.04 time and in the 200 breaststroke (2:31.32). She swam the record-breaking times, which were set 20 years ago, in the Cardinal Classic. Polyak's best times for the season in the 200 freestyle is 2:05.36 and in the 500 freestyle is 5:33.91. She has been a multiple winner in four of six meets. Armstrong also broke Clark records at the Cardinal Classic, swimming a 59.77

Ildiko Polyak '03

in the 100 butterfly and 1:02.33 in the 100 backstroke.

"The individual effort has been extraordinary and is the main reason we have had individual and team success," comments head coach Dana Hodges. "We hope to build on what was accomplished in the first semester and have a strong showing in the second semester competitions. We are looking forward to the NEWMAC Championship."

Women's Basketball

The women's basketball team compiled an impressive 6-2 record in the first semester. Leading the way for the Cougars is junior guard Rachael Turkington. Turkington, an explosive scorer, leads the team in scoring with 17.8 points per game. She is dishing out 3.4 assists per game, grabbing 3.8 rebounds while shooting 34.7 percent from behind the arc and averaging 3.3 three-pointers. Turkington, who was named the Worcester City Basketball Tip-Off Tournament MVP, led the Cougars to the Worcester City Championship. Clark has won the tournament five consecutive years. The young and talented Cougars have recorded impressive wins over Western Connecticut State University (61-58), Trinity College (68-65) and Amherst College (69-58). First-year Echo Freeman has been very solid, averaging 6.5 points per game and 4.6 rebounds. She was named to the Worcester City All-Tournament team. Twin sister Briana Freeman has made an immediate impact as well. She is second on the team in scoring with 9.6 points and is

pulling down 3.2 rebounds per game. "I am pleased with how we performed during the first part of the season. We are a relatively young team and we are getting better with every outing," commented head coach Pat Glispin. "With many talented players and a lot of depth on the bench, the remaining part of the season is very promising and we are excited to start the competitive NEWMAC schedule."

Men's Basketball

The men's basketball team started the 2001-02 season right where they left off last year. After a memorable trip to the NCAA Elite Eight, the Cougars completed the first semester with a 6-2 record. Clark opened the season winning the Wilkes University Tip-Off Tournament with an 84-72 win over Wilkes University in the championship game. Wilkes was ranked 10th in the D3hoops.com pre-season poll. Junior guard Sean Fleming is leading the Cougars' charge with 17.1 points per game and 4.1 rebounds. Fleming, who is shooting 88.4 percent from the free-throw line, was named the Tournament MVP at the Wilkes Tournament and was named to the Williams All-Tournament team in December. Super sophomores Dave McNamara and Trevor Walker have also been major contributors to the offense. McNamara was named to the All-Tournament Team at the Wilkes Univ. Tournament and is averaging 17.0 points per game and shooting 80.0% from the line. Walker is averaging 14.6 points per game and 3.0 three-pointers per game.

The Cougars' two losses have been by a combined five points to Wesleyan (83-80) and Williams (80-78 OT), in the championship game of the Williams Tournament. Clark, who was ranked 19th in the latest D3hoops.com poll is working hard to host the NEWMAC Tournament and earn another trip to the NCAA Tournament and dance just a little further in the big show. "We are right on schedule and are playing well," commented head coach Paul Phillips. "We are looking forward to facing challenging opponents next semester." ★

ing multi-purpose spaces for a variety of other programs and activities. The field hockey/baseball field will be constructed of synthetic turf, while the soccer/lacrosse will be grass or synthetic turf.

Fundraising for the project will take place while construction is in progress. If you would like additional information or would like to help in the fundraising effort, please contact Wally Halas at 508-793-8859. ★

Athletic Department Staffing Changes

Andrew Tuccio, a graduate of Plymouth State College, was hired as an assistant athletic trainer. He formerly worked as the head athletic trainer at Medway High School.

Other personnel changes include the promotion of Paul Phillips and Karen Chambers Farrell to Assistant Athletic Directors. Phillips, remains head men's basketball coach and Farrell who served as sports information director for the past two years remains head women's volleyball coach. Both assumed administrative duties. Third-year baseball coach Jason Falcon assumed additional responsibilities as director of the Bickman Fitness Center. ★

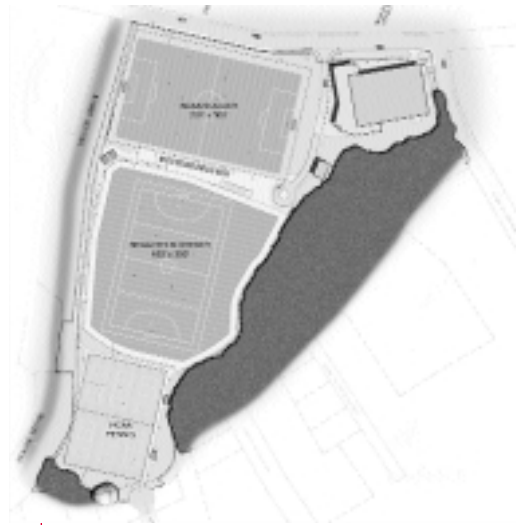

Granger Field Athletic Facility

Granger Field on Beaver Street will soon become a second hub for athletic activity on campus thanks to an \$7.8-million plan to improve Clark's athletic facilities. The project includes the construction of a \$5-million field house and the reconfiguration and reconstruction of the existing soccer/lacrosse, field hockey and baseball fields, as well as the Corash tennis courts.

Construction is scheduled to begin as soon as the spring season is complete. The field hockey/baseball field as well as the Corash tennis courts are expected to be ready by September 2002. The soccer/lacrosse field and field house will be completed by Spring 2003.

"Significantly improving our outdoor space and increasing our indoor space will greatly enhance Clark's athletic and recreational programs," says Athletic Director Linda Moulton. "Current and future student-athletes will positively benefit from our new facilities and the opportunities that will be provided. There is tremendous excitement about what these new facilities will do for the campus and the extended Clark community."

The new field house will relieve the overlapping demands on the Kneller Athletic Center. The building will serve as the support facility for fall and spring teams, complementing the new outdoor spaces. Space will also be available for some intramural activities, club

sports and other recreational and neighborhood programs.

The upgrade of the fields will provide Clark with first-class competitive venues for the varsity programs while provid-
