Season Ending Awards

MVP: Mike Myers '06
 MIP: Ryan Henderson '07
 Coach's Award: Scott Foglietta '06

COUGAR PARENTS

Once again I would like to thank all of the parents who made this season so special. Especially Pat Myers who did an amazing job organizing our post game tail-gating parties. Next year, Matt Arnold's mother, Victoria, will be coordinating the program. She can be reached by email at: victoria.arnold@ropesgray.com. Please contact her if you would like to be part of the program.

LAX ALUMNI

Please check out the website under records and see a complete listing of career stats. We have, through all the team records, put together the most accurate listing of category leaders we could. In most cases we have the top ten or the top eight. Enjoy them and I hope they bring back fond memories.

NO QUARTER

The team celebrating a thrilling overtime win over Manhattanville College, in our home opener. The goal was scored in exciting fashion by Andrew Webber '08, assisted by David Breglio '07.

In the Crease

by *Evan Davis*

This was a great year for the Cougars. We had the most wins in school history, had players achieve personal and team milestones, a new offensive system that paid huge dividends, and an attitude of dedication like never before. We made a great trip down to Florida and though the outcome of the game was not what we had hoped for, it prepared us for the home season.

One of my fondest memories of the season was our overtime win over Manhattanville. It was the first overtime game in my four years here and our young team showed a lot of character in how hard they fought to get that win. Other things that stick out: the addition of Coach DeLuca to the staff, the way we played against Springfield, the season ending game against Babson, our win over UNE, and seeing lacrosse players honored at the end of the year athletic banquet. This program is really taking shape and next year looks to be one to remember.

I would also like to announce that Scott Foglietta '06, will be joining the coaching staff next year as a graduate assistant. He will be working with the attack as well as doing some recruiting for the team on Long Island this summer. We are very excited to have him back with us next year and look forward to his help in bringing home a winning season.
