SEASON REVIEW

The Women's Tennis team faced a competitive schedule this season with a young squad. The Cougars finished with

a 2-10 overall record and were winless in the NEWMAC. The Cougars captured victories this season against Regis College (6-3) and Pine Manor College (9-0). The team lost a battle with the New England weather, which forced the cancellation of three matches and significantly affected the team's win total.

Co-captains Emily Slack '07 and Alycia Weiner '07 provided strong leadership for the team. Slack competed at the number one singles position for Clark and Weiner played at the number two and three positions.

Kristen Domurad '08 posted the most singles wins this season for the Cougars. Domurad earned victories at the number five position against Regis and Nichols and tallied wins against Pine Manor and conference rival Mount Holyoke at the number six spot.

The upcoming spring season will allow each individual to work on her skills and gain some more playing experience in preparation for next fall. With no graduating seniors, the team will have a solid core of returning players for the 2006 campaign.
