

# Petition to waive or replace a WGS Program requirement

**Course substitutions:** Under extraordinary circumstances, the WGS Director may approve a non-WGS course or a course that does not carry a WGS attribute to count towards a WGS major or minor requirement. **Transfer and Study Abroad Credits** must be approved by Academic Advising or the Office of Study Abroad and Away Programs. Students may be asked to submit course syllabi, papers or exam materials, or a letter from an academic adviser/instructor for consideration.

Students should complete this petition in consultation with their WGS Adviser for *each* course substitution or credit request. Submit to the WGS Program Office for approval by the Director. The form will be kept on file with the student's *Major/Minor Worksheet*.
