

Research or Internship Credit Approval Form

To be filled out by the student in consultation with the WGS Adviser and supervising faculty member. This worksheet is intended as a planning guide to be completed *before* registering for Research or Internship Credit, and should be submitted to the WGS Program Office for approval by the Director. Upon successful completion of the research course or internship experience, students should have their supervising faculty member and WGS adviser sign off on the *WGS Major/Minor Worksheet*.
