**On a separate sheet please discuss your academic interests and goals.** Include your current research interests as well as your long range research, teaching, or other professional objectives. List and describe published articles or books, research, inventions, or other creative work.

It is the student’s responsibility to request that all official transcripts relating to the previous academic record be sent to the relevant academic department at Clark University.
We would welcome any additional comments you may wish to provide to the Committee in support of your application. Attach an extra sheet.

The following material should be sent directly to the English Department at Clark University:

- The completed application form and the $50 non-refundable application fee.
- A statement of purpose outlining your academic interests and goals. If you indicate on the application that you wish to be considered for a teaching assistantship, please describe your teaching qualifications in your statement of purpose.
- Three recommendation forms completed by the professors who agree to write on your behalf. Please note that our faculty wishes to have a separate letter from the professor along with the completed form itself.
- Official transcripts from all colleges and/or universities which you have attended, or equivalent documentation.
- Students from the U.S. or Canada must submit an official score report from the Graduate Record Exam (GRE). Both the General test and the Literature in English exam are required. Consideration of your application may not be possible without the submission of scores from both the General and the Subject tests. GRE scores for international students outside the U.S. or Canada are strongly recommended, but not required.
- A recent writing sample: one formal essay of at least 2500 words on some aspect of American or English literature.

It is extremely important that we receive all application materials before February 1. We welcome applicants to visit the Clark campus and the English department.

I certify that all information submitted by me as part of this application is complete and accurate.
