GRADUATE SCHOOL OF MANAGEMENT
CLARK UNIVERSITY
Concentration Declaration Form

All MBA students must declare an area of concentration. Three to four elective units must be taken in an approved area of concentration. The remaining elective units must be taken in areas other than the concentration. This declaration form must be returned when you register for your first elective course.

Date: _______________________________

Name: ______________________________

Clark ID Number: _____________________

I wish to declare my area of concentration in:

____ Accounting (General)
____ Accounting (Expanded-CPA/CMA)
____ Finance
____ Global Business
____ Management Information Systems
____ Management (General)
____ Marketing
____ Social Change

Change or Add a Concentration

If the area of concentration is declared, return this form only if you are changing or adding a second area (list both).

Change:
Previous area of concentration: ____________________________________________
Change area of concentration to: ____________________________________________

Add:
Declared concentration: ________________________________________________
Second area of concentration: ____________________________________________

___ I wish to declare a double concentration. I understand that this may increase the number of elective courses I need to take in order to graduate.
