Prerequisites for Required Core MBA Courses

**Notes**

1. Students with less than 3 years professional work experience are required to complete an internship unless they have waived the requirement (see GSOM Policies & Procedures Manual for details).

2. MGMT 4302, ACCT 4100, ECON 4004, STAT 4005 and 4006, MGMT 4708, and MIS 4500 are recommended first year courses.

3. Students concentrating in the *Accounting, Finance, Management, Marketing, MIS, Social Change, or Sustainability* concentrations, may choose 3 to 4 units of electives in their areas of concentration. Students choosing the *Global Business* concentration must take FIN 5281 International Finance and MKT 5482 International Marketing. The *Expanded Accounting* concentration requires specific electives to be taken. Please see the Expanded Accounting program requirements checksheet for more information.

4. Students who have not received any waivers in the areas of Marketing, Finance, or Management Information Systems will take the 1 unit MKT 4400, FIN 4200, and MIS 4500 course requirements. Students who have received waivers in those subject areas are required to take a 0.5 unit Marketing elective if waived out of MKT 4400, 0.5 unit FIN 5301 if waived out of FIN 4200, and 0.5 unit MIS elective (MIS 5501 or MIS 5506) if waived out of MIS 4500.

5. MGMT 4301 and the Capstone should be taken when all core courses are complete or during a student’s final semester.
