FALL FEST

Please join us as our own Clark students showcase the fruits of their labor.

From 2:00 - 4:00 p.m. students will display their research findings through posters and electronic media (audio, video and Power-Point) presentations.

This event celebrates the research and creative work Clark Undergraduate students produce under the support and mentoring of the University's distinguished faculty.

The presentations are found on both the 1st and 2nd floors of the Goddard Library.

Please enjoy some light refreshments found upstairs on the 2nd floor and thank you for coming!
