ISSO NEWS  June 2016

CPT
For all those doing internships this summer – make sure that your internship is approved before you start to work.
  **Undergrad Students** – Career Services is your first stop for internship approval. After they approve it, the ISSO will evaluate and grant CPT (Curricular Practical Training).
  **GSOM Students** – The GSOM Career Services is your first stop for internship approval. After they approve it, the ISSO will evaluate and grant CPT (Curricular Practical Training).
  **Graduate Students** – Your academic advisor will approve your internship first and then the ISSO will evaluate and grant CPT (Curricular Practical Training).

**Working without CPT authorization can result in termination of SEVIS record.**

OPT
There is still time for May 2016 Graduates to apply for OPT! Please contact our office to make an appointment.

Travelers – take note
You may have heard about the Zika virus in the news lately. For those of you who plan to travel during spring break, please take a look at this link to find out where cases of the Zika disease has been found: [http://www.cdc.gov/zika/geo/](http://www.cdc.gov/zika/geo/) Although most cases of the Zika virus are mild, here is some information about preventative measures you can take to avoid contraction: [http://www.cdc.gov/zika/disease-qa.html](http://www.cdc.gov/zika/disease-qa.html)
