Researchers from School of Criminal Justice, SUNY-Albany are conducting the 2015 National Criminal Justice Survey on international students and their parents in the US. They want to better understand experiences with and concerns of international students about crime and justice in the U.S. and their home countries. This study is important for advancing knowledge on the safety of international students studying in the U.S.  [https://www.surveymonkey.com/r/Survey2015_Int_Student](https://www.surveymonkey.com/r/Survey2015_Int_Student)

Travel Signature
Please get a travel signature before you leave the country for the winter holidays! Some of you have received new I-20s this semester. If you have, you are all set to travel during the winter break. Those of you who have not received a new I-20 probably need a travel signature. If the signature on the second page of the I-20 is from the Fall Semester 2015 then you do not need a travel signature. If you have any questions about this, please bring in your I-20 and we will tell you if you need a signature.
